

MORE THAN CONQUERORS

Word of Encouragement

The Beginning Of Sorrows

"For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes in divers places, All these are the beginning of sorrows." Matthew 24:7,8

I believe that we are living in the **Last Days**. Jesus said we will not know the time of the End, but looking closely at Scripture, God obviously wanted us to know when that time was getting closer.

We believers must not be afraid or dismayed by the many events that are coming on the earth. All of these things are just a part of living in this fallen world. Jesus said over 2,000 years ago that these things would happen.

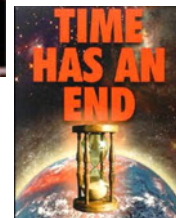

The word "SORROWS" means labor or birth pains. Jesus used the word sorrows or birth pains because this is an accurate description of how the End-Time events will progress. Labor pains generally start small and at first, come far apart. As the labor progresses, the pains increase in both intensity and in frequency. Just before the birth occurs, the pains become very intense and are almost non-stop.

The beginning of sorrows are birth pains that are designed to result in a birth. The question is - **the birth of what?**

Romans 8:22-23 - tells us, At present *"the whole creation groans and travails in pains together until now. And not only they, but ourselves also, which have the first fruits of the Spirit, even we ourselves groan within ourselves waiting for the adoption, to wit, the redemption of our body."*

These birth pains are from the creation and also from us wanting to be delivered from the "bondage of corruption" (Romans 8:21).

This is the cry of the ages (within us and around us) for the return of the Lord Jesus to come and finish the last part of our redemption - the redemption of our bodies - so that they might be made like His own glorious resurrected body (Philippians 3:21).

Your Redemption Draweth Nigh!

The beginning of sorrows is a wake-up call that the door of salvation through Jesus Christ is fast closing and the time of God's wrath on an unbelieving world is fast approaching.

Natural Disasters are the Beginning of Sorrows

Things will get tougher for all people before Jesus comes (II Timothy 3:1-7,12,13).

Jesus gave us many signs that will let us know that the end is approaching, but the main sign He gives is in Matthew 24:14 - *"And this Gospel of the Kingdom shall be preached in all the world as a witness unto all the nations; and then shall the end come."*

For the believer, our focus should not be on all the negatives that are happening and will happen. But our focus must be on the positives that we should be doing. We must preach, teach, witness, and do all we can to help take this Gospel into all the world.

The End-time message should not be looked upon by the child of God as a depressing message of gloom and doom. **God is in Control**. These are exciting times as we look to Him and trust His Word.

God has a wonderful future for those that love Him. He wants to use every one of His children and wants them to be busy in these trying times to share the message of His love and soon return. We must do all we can to help win (to Jesus Christ) those that are lost before it is too late.

It's not God's will that any should perish, but that ALL should come to repentance.

“Thy Kingdom Come”

Matthew 6:10

This is a three-fold prayer request.

- 1. Kingdom come** - refers to dominion and sovereignty. This is a prayer that looks ahead to the reign and rule of Jesus Christ in perfect glory, righteousness, and peace upon the earth. Isaiah chapters 11 & 35 describe these glorious days upon earth whereby the lion will lay down by the lamb. **“Lord, let Thy Kingdom come on this earth as it is in Heaven!”**
- 2. Kingdom come** - is a prayer for God’s kingdom to be realized in our own lives. If you are saved, Luke 17:21 says, *“the Kingdom of God is within you.”* If we are to be effective witnesses for the Lord, He must have supreme rule or complete control of every area of our lives. Our kingdom must go and His Kingdom must come. **“Lord, let Thy Kingdom come in all of it’s fullness within me!”**
- 3. Kingdom come** - is an evangelistic request. God’s Kingdom comes to the earth whenever a lost soul is brought to Him. Through salvation, another temple (body) is filled with the glory and presence of God. God wants to use us to help bring others to Him. **“Lord, let Thy Kingdom come in the lives of others!”**

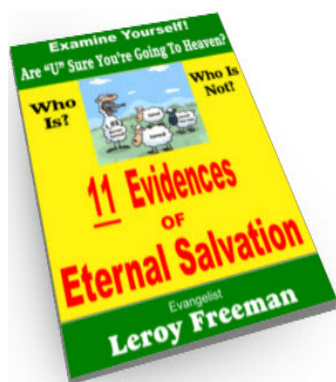

More Than Conquerors depends on the prayers and generous donations of those that are blessed by this ministry. Thank you in advance for your support in helping us share this glorious Gospel with others. We appreciate your support and thank God for you.
